£10 CHALLENGE

WHAT IS THE £10 CHALLENGE?

A favourite with our corporate partners! This 'Apprentice' style challenge sees you get into teams of 5 and turn £10 into as much money as possible, across approx one month period.

HOW WILL IT WORK?

- Sign up as a group of 5 and donate £2 each into the pot – this is your starting £10! Take the challenge on alone if you feel brave enough!
- Across the course of a month, find creative, innovative, wacky ways to turn that £10 into as much money as you can (see the 'Tips and Ideas' page for a head start!)
- Go up against our other corporate partners! SPEAR will be keeping a league table of all groups.

WHEN WILL THE CHALLENGE TAKE PLACE?

The £10 Challenge will take place in November 2014. The start date is flexible but will run for a one month period. Please let SPEAR know when you have started the challenge so we can help you along the way!
