

SPEAR Winter Wonderland Festival of Winter Walks

SPEAR
homelessness to independence

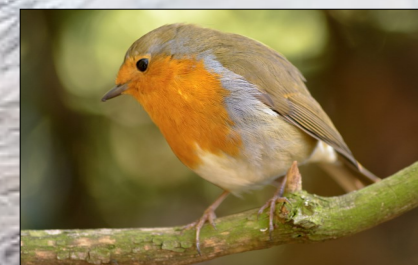

WHY RAISE FUNDS WITH WINTER WALKS? With the launch of our Homeless Healthlink Service to support rough sleepers with their health needs, SPEAR are eager to promote the benefits of exercise to stay healthy such as winter walks.

SPONSORED WALKS Fancy burning off some Christmas dinner or start getting in shape for the summer? Have a set route, sponsored by the mile or hour! Agree to walk to your local group, activity or meeting rather than go on public transport or the car. Go on and give those jumpers you got for Christmas a wearing.

PHOTOGRAPHY While out and about could your photography skills make a set of greetings cards or a calendar? From local architecture to our wonderful wildlife. Or could you take photos of your fundraising event? Share the pictures with us we'd love to tweet and share your talents on Facebook and Twitter.

GUIDED TOURS Do you have friends and family coming over for a visit? Why not give them a grand tour of the 14 villages of Richmond? Be the resident tour guide with all the local know-how. Or why not organise a Borough Scavenger Hunt in teams with a donation to enter!
