

SPEAR

Words to find:

homeless, house, independent, penny wade, richmond, rough sleeping, shelter, spear, support, vulnerable.

When you find yourself homeless it can be very hard to break out of the cycle of rough sleeping, with help being very hard to find.

SPEAR was founded by Penny Wade when two people died in Richmond through not having any shelter. They support people when they are most vulnerable. Getting a house is only the start and SPEAR will help their clients until they are fully independent.

Can you complete the word search journey of homelessness to independence?
